I am a passionate web developer and designer, specializing in creating visually appealing, user-friendly websites and applications. My goal is to develop websites that not only look stunning but also provide a smooth user experience. I completed a coding traineeship with IT Career Switch, gaining hands-on web development experience. I have worked on two full-stack projects, demonstrating my proficiency in various programming languages. With strong skills in customer service and teamwork, I am driven by a solid work ethic.

Skills

Technical:

- Frontend: HTML, CSS, Bootstrap, JavaScript, jQuery, React.js
- Backend: Node.js, Express.js, PostgreSQL, Python
- Tools: Git, GitHub, VS Code

Soft Skills:

- Customer Service: Experienced in providing exceptional support and building client relationships.
 - Time Management: Proven ability to prioritize tasks and meet tight deadlines.
-

Work Experience

Aldi Stores Ltd. | Store Assistant | June 2020 – Present

- Provided excellent customer service, ensuring customer satisfaction and resolving inquiries promptly.
- Demonstrated strong problem-solving skills in addressing customer concerns and finding solutions.
- Developed excellent communication and interpersonal skills through daily interactions with customers and colleagues.
- Gained experience working in a fast-paced, deadline-driven environment.
